

Welcome to the second newsletter of Planet Goals Project!

Below, we will introduce the activities carried out during the Transnational Project Meeting in Slovenia and the overall progress of the project. Over the next issues of the newsletter, we will be regularly informing you about the project's progress and future activities we will be working on!

TPM IN SLOVENIA

Between 17 and 19 June 2025, the University of Maribor hosted the **2nd Transnational Project Meeting** in Maribor, Slovenia. The partners discussed the progress and current achievements of the **Planet Goals Project** and attended lectures on SDG-related topics.

They also visited several different locations and participated in various activities related to the topic of sustainability, including:

-  [Timber rafting](#) on the Drava River
-  Tour of the [Maribor Biotechnical School](#) facilities
-  Visit to the [Museum of the Fala HPP](#)
-  Lecture on energy storage at [Dravske elektrarne Maribor](#)
-  Visit to [Sončni raj](#)

OUR PROGRESS SO FAR

- We are now concluding the evaluation of the Handbook for VET Educators and proceeding with modifications. The primary objective of the Handbook is to equip VET educators with practical, research-informed, and easily accessible material on 17 SDGs.
- Platform programming is in progress. The RWD platform will host all project outputs in all partner languages.
- Our article entitled **Gender Equality Education for Sustainability** is now available on the project website.

Stay tuned for even more updates coming soon!
And don't forget to check out our website and social media!
